About HIET

Hindustan Institute of Engineering Technology (HIET) was established in Chennai in 1966 in response to the need for non-formal technical education. Hindustan Institute of Engineering Technology is run by the Hindustan Engineering Training Centre (HETC) Educational society. The institute is approved by All India Council for Technical Education and the Government of Tamil Nadu for conducting Diploma courses in Automobile, Computer, Mechanical, Civil, Electrical & Electronics and Electronics & Communication Engineering Courses. HIET has trained over 45,000 persons as engineers and technicians. Over 4000 of them are now working with various airlines and aviation industries in India and abroad.

HIET Skill Development Centre (HIET SDC)

HIET SDC is conducting industry relevant courses to cater the needs of students from ITI's, Polytechnics, Engineering colleges & staff from various industries. These programmes are offered throughout the year and flexible timings like regular, evenings, weekends and during vacations are available. Various modules of training are available under various skill sectors. The Training Centre is equipped with the latest equipments, measuring instruments and diagnostic tools. Qualified and professionally certified trainers are incharge of the training. Many certified programmes are also available.
