WELCOME GRADUATION DAY

Friday, the 27th Sept 2019

Graduation Day Special Edition

Chairperson Desk

Dear Students and faculty,

Trust the year gone by would have been very productive and eventful for all of you. I am sure you would have enjoyed every bit of the learning experience during the year.

Education all over the world is undergoing a radical shift. Knowledge is no longer constrained by time and space. It has expanded beyond the classrooms and school campuses. Hence, continuous mentoring, monitoring and evaluation of the learning environment need to be done to provide required intellectual stimulation to the young minds. In today's world, how much you know does not matter, application of the acquired knowledge is more important. This is where excellence in present day education lies.

Youth of today exhibits unparalleled genius and is to be prepared for global stage. Our pedagogical practices have to shift from teaching to learning. In emerging global dynamics, educators have to play the role of change managers. While creating curriculum designs, value orientation should remain in prime focus. We should aim at grooming the students into ethical and principled leaders of tomorrow, whose thoughts and actions are deeply embedded in the values and culture of our land.

As a premier educational institution, we are known for creating our own benchmarks and elevating ourselves to higher planes. This practice has made our group the centers of excellence.

I would like to quote Mahatma Gandhi's advice which holds great relevance even today:-

**“Live as if you were to die tomorrow
but learn as you were to live forever”**

I am confident that if you cherish and live these values, you will go a long way and achieve success in all spheres of life.

Wishing you all the very best.

With best regards,

Dr. Elizabeth Verghese
Chairperson, HGI

Chief Guest Profile

Name : Ashok Gopinath

Designation: Chief Executive Officer

Company : GMR Aero Technic Ltd

- Ashok Gopinath is the Chief Executive Officer of GMR Aero Technic, Hyderabad since June 2017 and is currently responsible for the development and growth of its MRO business segment within the GMR group.
- He completed his Aircraft Maintenance Engineering from HIET, Chennai, Batch No. 9 in 1985
- He is an Aviation industry veteran with over 35 years of Airlines experience covering various aspects of Aircraft Engineering & Maintenance, International Operations and Regulatory compliance.
- He has previously served leading airlines including Jet airways as Vice President Engg. & Maintenance and Spice Jet as Vice President & Head of Engg.& Maintenance.
- Additionally, he is also a licensed Aircraft Maintenance Engineer qualified on various narrow and widebody aircraft.

Guest of Honour Profile

Name : KV Krishnan

Designation: Chief Executive Officer

Company : KVK Aero Solutions

- Batch VI pass out of HETC in 1977.
- Completed over 42 years of professional engineering experience in aircraft maintenance and headed a large team.
- FAA A&P and ICAO Part 66 Licensed aircraft maintenance engineer. MSc in Air Transport Management from City University UK.
- Work experience in various capacities such as Certifying Engineer and Head of Engineering in domestic airlines like Indian Airlines, East West Airlines and Blue Dart.
- As a Team Leader, he established the Engineering Department for Airlines and first third-party MRO for Air Works at Hosur.
- Has experience as an Accountable Manager to DGCA and many international regulatory agencies including EASA. Responsible Manager for Aerospace Quality Accreditation like AS 9110 and EN 9110.
- He retired as a Senior Vice President of Air Works India Engineering Private Ltd., in the year 2016.
- Currently, he is running KVK Aero Solutions – a consultancy services company.

Events at HIET Aviation College 2020-21

AMO Training

HIET Aviation College regularly arranged AMO practical training at Air India Engineering Service Ltd., Chennai. Even during the period of COVID-19, the Aviation College students received hands on practical training at the above center and learnt the practical procedures for airline operations.

AME Students undergoing AMO Practical Training at BLUEDART Aviation Ltd., Chennai, as per CAR 147 Basic requirements. The students learnt all the aspects of aviation techniques during their time of training and were accompanied by Mr. Srinivasan, Instructor, Aviation College.

Air India Engineering Services Ltd., Chennai

The second batch students have also undergone AMO Practical Training at AIRINDIA Engineering Services Ltd., Chennai and got hands on practical training at AIESL.

AME Students Training at Aero Hangar

OJT training was given to AME students for a period of six months during their last semester i.e VI semester. This training is obtained from the organization which is approved for maintenance work by the DGCA. AME students underwent hands-on practical training in Hangar at our campus.

Events at HIET Aviation College 2020-21

Teacher's day Celebration

Globally, Teachers' Day is celebrated on 5th October every year to honor teachers for their significant contributions to our education, but in India, it is celebrated on September 5th in memory of Dr. S. Radhakrishnan, first Vice – President of India, on his birth anniversary.

Teacher's Day celebration was conducted for the year 2020, at HIET, Padappai Campus, combined with HIET Polytechnic and Aviation Colleges.

Onam Celebration

Onam is an annual festival celebrated in the Southern Indian state of Kerala. It is a harvest festival celebrated by Malayalis and falls on the 22nd nakshatra Thiruvonam in the month Chingam of the Malayalam calendar, which in the Gregorian calendar overlaps with the months August–September.

Onam festival was celebrated on 02nd September 2020 by the HIET, Aviation College and Polytechnic College staff.

Christmas Celebration

Christmas is a season of joy, holiday greetings, gift-giving, and families getting united. HIET's Christmas celebrations took place in the HIET Aviation College campus. On Christmas day, a special prayer was conducted by the student Chaplain. The staff and students were completely spellbound by the celebration.

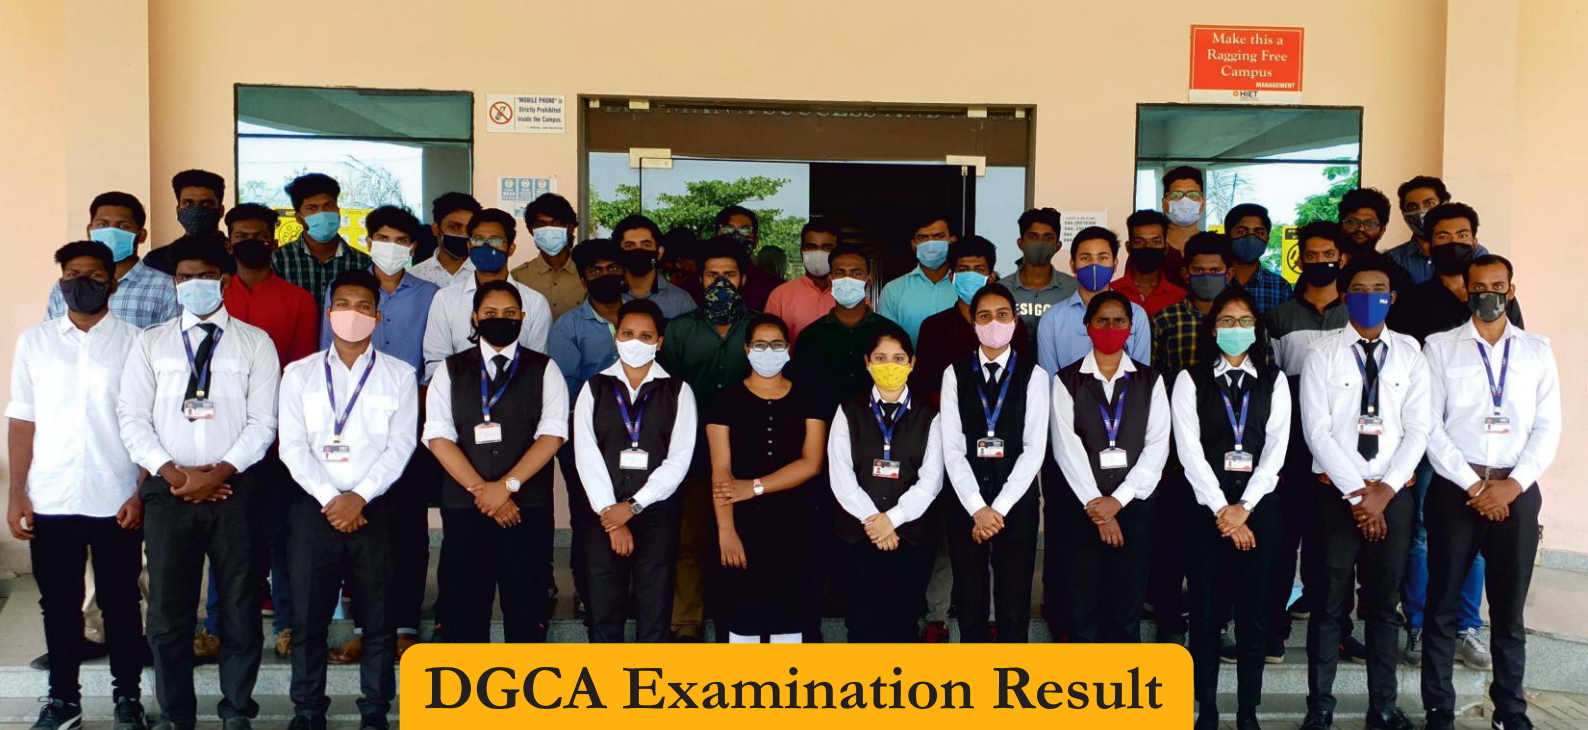

Annual Sports Meet

“The moment of victory is much too short to live for” said Martina Navrathlova, Tennis player. Apart from commemorating victories, a sports meet should also aim at imparting lessons on sportsmanship and camaraderie to the students.

Keeping this in view, HIET has conducted the annual sports meet at our college premises on 06.03.2020. Thiru. K. Karthikeyan IPS, ASP, Sriperumpudur Taluk was the Chief Guest & Thiru.V. Jagadalan, Joint Secretary, Kabaddi Association, Chennai was the guest of honour.

DGCA Examination Result

The DGCA conducts examinations three times every year and HIET Aviation College consistently produces better results every year in the All-India level. Around 93% students of the current grandaunts have cleared the DGCA module examinations, out of which 7 students have cleared all the required modules.

Graduation Day 2019

HIET Aviation College conducted the 2019 Graduation Day, on 27th September 2019 for the Batches No.132, 133, 134 & 135. Students were awarded with certificates during the function. For the event Dr. Ramakanth Singh, Director (AE), DGCA, Bangalore was the Chief Guest & Mr. Samarjeet Gupta was the guest of honour.

Orientation Programme 2020-2021

HIET Aviation college conducted an Orientation Day program at its Padappai Campus and all the newly admitted students participated along with their parents. The Chief Instructor and Training Manager welcomed all the parents and students into the institution.

Educational Visit at KCG College&HITS

When first year students are admitted, we familiarize them with the in-house facility available in our Group of Institutions. Students are given the freedom to visit the Aero Department and explore the various Aircrafts available.

Industrial Visit

Indian Oil Corporation

Coast Guard

Air Traffic Services

INS Rajali

Air show at Hyderabad

A batch of 36 students visited Air show held at Hyderabad in the year 2019. It was a wonderful experience for the students to visit various types of aircrafts from different countries

Aviation College signed MOU

HIET, Aviation College signed an MOU with the following airlines.: 1. Air India Engineering Services Ltd, Chennai. 2. Blue Dart Aviation Ltd, Chennai. 3. Orient Flights Aviation Academy, Mysuru.

Swatch Bharath Mission

On the 150th birth anniversary of Mahatma Gandhi, a one day "Swachh Bharat Mission 2020" was conducted at HIET, Chennai. The event was organised with the help of Y's Men Club and the National Service Scheme (NSS) of HIET Padappai chapter. Prof. K. Sundararajan, Principal, and Mr. Nayan Kumar Mishra, Chief Instructor of our college inaugurated and presided over the event.

Moreover, the staff members of both the colleges participated in the above event, with the message 'Go green, be healthy'. This was followed by Vattombakkam Housing Board campus cleaning along with Mr. Saravanan, who is in charge of the Board. Finally, the staff members cleaned the Serpenenchery Bus stop areas and the event ended with great enthusiasm and satisfaction.

Distribution of COVID-19 Relief Materials

HIET arranged for COVID-19 relief material for the underprivileged public of Serpenenchery village, which is located just adjacent to our college. Chief Guest Dr. Xavier Alphonse, Chief Operation Officer Mr. Arul Dennis, Principal Prof. K. Sundararajan and Chief Instructor Mr. Nayan Kumar Mishra distributed the relief materials.

Vigilance Awareness Week

HIET Aviation College students participated in an Essay Writing Competition and secured 1st, 2nd and 3rd place during the Vigilance Awareness Week 2020 observed from 27.10.2020 to 02.11.2020 in the Airports Authority of India, Southern Region, Chennai.

The students of our AME College, Ms. K.P. Akshaya Mira, Ms. C.R. Anju Ms. D. Haritha had been awarded the 1st, 2nd and 3rd place respectively. The Management and Chief Instructor and faculty members have congratulated the students for their accomplishment.

HIET Aviation College student Mr. Mohamed Usama Mafaaz has cleared all the modules and become BAMEEC. He is also the over all topper of the batch.

Toppers of DGCA Examination (All module cleared)

Graduands -2021

Alumni Talks

Dr. KCG Verghese was my mentor ever since I joined the field of Aviation. He has motivated me to pursue an Aeronautical Engineering degree in HIET and I followed his footsteps. Finally, because I headed to his advice, I have fulfilled my goal of being able to serve the nation. My best wishes to all the new graduands!

Dr. Ramakant Singh

Deputy Director General of Civil Aviation
Bengaluru

Passion For A Mission In Aviation

My name is Chandra Saravanamuthu from Kuala Lumpur, Malaysia. Enrolled for DGCA, India approved Aircraft Maintenance Engineering (AME) course, at Hindustan Engineering Training Centre (now Hindustan Institute of Engineering Technology) in July, 1976. I was in AME batch IX. Came to this institution with a great passion in Aviation and with one mission 'To look for the best, achieve the best and be the best'.

Successfully completed AME course in 1978, topped the class with distinction and took the Best student's award in the final year. Completed a year of apprenticeship with Madras Flying Club and obtained AME license in category 'C' and 'X', including Radio-telephony license. In July 1979, at HIET, became the warden of Orient hostel and joined the Aero department, providing lectures and practical to AME students in aero-engines, etc. Then I returned from HIET with my mission accomplished. But today feel with great sadness for missing all the souls that made me a better person. Our late founder chairman Dr. KCG Verghese was my guiding light during the years at HIET.

In January, 1981 chairman visited Malaysia and purchased an airworthy Cessna 172 after a demonstration flight. He entrusted the rest of the work to me and left. I was instrumental in dismantling, crating and bringing to HIET the first airworthy aeroplane by sea from Malaysia. Later the C172 was assembled and flew with the Orient Flying School. Now I understand the C172 is kept in the hangar as a memory of late chairman's first HGI's airplane.

Mr. Chandra Saravanamuthu

AME Batch IX, Malaysia

Greetings!

I was going through my personal record files and saw this pay slip which I have saved for memories sake.

I recollected the following:

1. I was the only one in HIET during those days, who had passed AME examination Paper I, II and III even before I obtained my course completion certificate from HIET.
2. I was employed by Dr. KCG Verghese, who recognized this feat, as an instructor in HIET even before I obtained my course completion certificate.

Seeing this pay slip, it rekindled my old memories of Sir.

Meenakshi Sundaram

Batch No. 49

Our class room was a center for learning, but it was also great fun. Our founder chairman, the late Dr. KCG Verghese was a man of great vision and forethought and was also a great motivating force for the students. Our student teacher relationships were cordial and we had knowledgeable teachers. The Orient hostel was very comfortable to stay in and the canteen was good. We had a wonderful campus life. Long live HIET!

Prince John Caldwell

Batch No. 24

Messages AeSI / Aviation

“

“Genius is ninety nine percent and only one percent inspiration.” -Thomas AlwaEdision.
Aviation is a dynamic profession with passion that can invert the changes in the universe. I congratulate all the new graduands as they can now fly high!

Dr. R. Asokan

Member Academic Committee, AeSI

”

“

“Don't tell me the sky's the limit when there are footprints on the moon.” – Paul Brandt
Before joining HIET Aviation College, I served in the Indian Air force for 20 years. In the year 2008 I joined HIET. With the guidance of our Director and CEO I was able to succeed in my profession.
Best wishes to all Graduands!!!

Mr. C. Ravichandran

Member of AeSI
Quality Manager, HIET Aviation College.

”

“

We wish to congratulate all the HIET students and thank the Hindustan Institute of Technology for honouring his contributions to society is unparalleled.
I want you all to stay true to the most real, most sincere, most authentic parts of yourselves.
Remember this: there is no such thing as failure. Failure is just life trying to move us in another direction. "AI Engineering Services Limited" Team wishes you good luck for a bright and prosperous future.

Mr. M. Perumal

Dy. General Manager
AI Engg. Services Ltd.

”

GRADUATION DAY PROGRAMME
